ACTIVITY SUGGESTION Before giving this worksheet to your students, review and discuss the different possessive adjectives. It might help to make two columns on the board. In the left-hand column, write: I, you, he, she, it, we, they. In the right-hand column, write only 'my' and then elicit the remaining possessive adjectives. Make note of the difference in meaning between "your" and "you're" (= you are); and "its" and "it's" (= it is). Wrap-up by having students compare answers with classmates, and then choose one or two students to write their answers on the board: (1) our; (2) your, etc. Correct and discuss and mistakes. (Add 5 to 10 minutes.) Grammar Discussion Possessive Adjectives Student 'A' version and Student 'B' version, each with 10 different discussion questions. Lower Intermediate Level Approximately 20 minutes Download the PDF file by clicking on the goldbutton below! ACTIVITY SUGGESTION Have your learners seated in pairs and make sure that they don't look at each others papers. After they finish, have them switch papers and continue one more time; then, stand up and talk to two or three classmates and ask two questions: (1) Who did you talk to? (2) What interesting things did you find out about him / her? (Add 5 to 10 minutes.) Fill in the blanks with correct form of the pronouns given in brackets. Have you seen my new coat? She has lost her keys. Can I have a look at your paper? The dog has had its breakfast. Do you know her name? What is their plan? Can you give me his address? He stood there with his hands in his pockets. I patted her on the shoulder. I will agree to your suggestion if you lower the price. She is our teacher. It is his fault. Possessive adjectives are words like my, his, her, their, our, your and its. They are used before nouns. In the predicative (after verbs) position, we use possessive pronouns (e.g mine, his, hers, theirs, ours and yours), not adjectives.
